4 Reasons to Hire A Lawyer for Your Workers' Comp Case

If you're injured on the job, the Georgia Workers' Compensation Act entitles you to two-thirds of your weekly income (not to exceed \$500 per week) for up to 400 weeks. If your claim is "catastrophic," you may be eligible to receive income benefits for the rest of your life.

OUR 2023 SCHOLARSHIP PROGRAM IS HERE!

We are thrilled to announce the return of our Scholarship Program for 2023. This is the perfect opportunity for a graduating high school senior who is planning to pursue higher education.

Like last year, the scholarship program will focus on raising awareness about the dangers of **distracted driving**. This is an amazing opportunity for high school seniors who are passionate about making a difference in their communities. By participating in this scholarship program, they will be taking an important step towards creating safer roads for everyone.

We will be sending out important information about the program, including eligibility requirements, application details, and deadlines. You can also check out our [website](#) and social media pages for updates and announcements.

Our goal is to support students who are committed to achieving their academic goals and making a positive impact in their communities. Don't miss out on this amazing opportunity!

Congratulations

Recipe of the Month

French Potato Salad

This No-Mayo French Potato Salad is Perfect for Potlucks and Outdoor Dining.

Ingredients:

Dressing

- 1/4 cup extra virgin olive oil
- 3 Tbsp grainy Dijon mustard
- 2 Tbsp Sherry vinegar
- 1 shallot, finely minced
- 2 cloves garlic, minced very fine
- Pinch of salt to taste

Salad

- 2 lbs small fingerling potatoes (use another new or baby potato if you like)
- Salt
- 1/3 - 1/2 lb green beans, trimmed and cut in half
- 1/2 cup finely chopped fresh parsley
- 2 tsp fresh thyme leaves or more to taste
- 1/4 red onion, slivered
- Freshly cracked black pepper to taste

Instructions

For The Dressing

- Whisk all the ingredients together vigorously until they emulsify into a thick dressing—taste to adjust any of the elements to your liking.

For The Salad

- Cover the **potatoes** in a large pot with 2 inches of cold water. Add a tablespoon of **salt** to the water. Bring to a boil, then turn down the heat and boil gently until the potatoes are tender. To check them, insert the tip of a sharp knife into a potato ~ it should glide in easily. Add the **green beans** to the pot and cook for another minute or two.
- Drain the potatoes and beans. While they are hot, slice the potatoes in half lengthwise. If your potatoes are large, you can cut them into smaller pieces.
- Put the potatoes and beans into a large bowl and toss gently with some of the **dressing** while everything is still hot. The potatoes will absorb the dressing and its flavors this way.
- When the potatoes have cooled, toss them with the **herbs** and **onions**. Add more dressing at this time if needed. Chill the salad before serving it with a grinding of fresh **black pepper**.
